From here we continue to Jericho and Barcaldine, which played a significant role in the Australian labour movement and the birth of the Australian Labor Party. In 1891, it was one of the focal points of the 1891 Australian shearers' strike, with the Eureka Flag flying over the strike camp. The landmark Tree of Knowledge, under which the strikers met, stood outside the railway station.

We arrive at Longreach this afternoon and spend the next two nights at Saltbush Retreat, a boutique outback lodge. This evening we enjoy a cruise on the Thomson River, followed by dinner on the riverbank accompanied by a talented musical entertainer performing live on Smithy's River Stage. **Meals: (B,L,D)**

### DAY 10 – Cloncurry - Karumba

Our journey today takes us due north along the Burke Development Road towards Normanton with morning tea at the Burke & Wills Roadhouse.

For years, the Burke & Wills Roadhouse has become a strategic stop for travellers. Located on Lot 51 Burke Developmental Road Four Ways Queensland, this roadhouse is just halfway between Cloncurry and the Gulf of Carpentaria.

Due to the vast remoteness, Burke & Wills Roadhouse becomes an essential stop for locals and travellers to break up any journey or for fuel and food. We learn of the expedition in 1860/61 before heading onto Normanton and into Karumba.

Located on the banks of the Norman River, Karumba came to importance in the 1930's when it became a stop-over point for flying boats on the run from London to Australia. Here we spend the next two nights at the End of the Road Motel. **Meals: (B,L,D)**

We arrive at Undara Lava lodge and check in to our unique accommodation consisting of homestead rooms, all with private ensuite facilities.

Today a local Savannah Guide will take us on a tour through part of the lava tube cave system. Created when the Undara Volcano erupted over 190,000 years ago, the lava that poured out was enough to fill Sydney Harbour three times over. The lava flows lasted a long time, which allowed the outer edge to cool while the interior kept flowing, creating the tubes seen today.

Tonight enjoy dinner in the outdoor style restaurant as an outback sunset fades into a clear starlit night. **Meals: (B,L,D)**

### DAY 14 – Atherton Tablelands - Cairns

Departing Undara we begin the final leg of our journey to Cairns. On the way we pass through the scenic Atherton Tablelands and visit the stunning Millaa Millaa Falls.
