

Outback Spirit

2025 RED CENTRE EXPLORER

ALICE SPRINGS - ULURU

SAMPLE ITINERARY

This is a sample itinerary and may be subject to change. We may need to alter or amend itineraries, excursions, accommodation, or sightseeing arrangements from those published, with little or no notice. This may be due to road conditions, weather, cultural considerations, safety factors and other operational considerations or government regulations. Final itineraries are sent to passengers approximately 2-3 weeks before travel.

DAY 1 – ALICE SPRINGS

Welcome to Alice Springs, the heart of Australia, in more ways than one. Today, you'll meet our passionate Outback Spirit crew, who will be looking after you for the next eight days.

Check-in at DoubleTree by Hilton, where we'll stay for the first two nights. Meet your fellow travellers for welcome drinks and a short briefing on what you can expect during your tour, before dinner at the hotel. (D)

DAY 2 – EXPLORING ALICE SPRINGS

Today, we explore Alice Springs and surrounds and see natural rock formations that are truly spectacular. After breakfast, we'll venture to the West MacDonnell Ranges and enjoy a walk to Simpsons Gap. Known as 'Rungtjirpa' by the Arrernte people, Simpsons Gap is an important spiritual site and home to dozens of rare plants and native wildlife.

We'll then visit Standley Chasm-Angkerle Atwatye, a cultural icon of Central Australia and 100% owned and operated by the Arrernte community. We'll break for morning tea and depart the West MacDonnell Ranges to visit the Alice Springs Desert Park. Here we'll enjoy lunch and immerse ourselves in the stories of the desert that will help us to appreciate and enjoy the beautiful landscape that we are travelling through. This evening, we enjoy a classic-style outdoor BBQ and show under the incredible night sky. (B,L,D)

DAY 3 – ALICE SPRINGS - KINGS CANYON

Today, we say goodbye to Alice Springs and go deeper into the outback. First up is a visit to Ellery Creek for a short

walk and morning tea, then we travel to Ormiston Gorge to see its towering red cliffs. We'll stop for a spot of lunch before our journey to the mighty Kings Canyon and Watarrka National Park. As we drive through the outback, we'll take the scenic Mereenie Loop 4WD track through the West MacDonnell Ranges and arrive at Kings Canyon Resort, where we'll spend the next two nights.

Tonight, we dine at Carmichael's, a relaxed space situated in Kings Canyon Resort surrounded by native trees and bushlands. (B,L,D)

DAY 4 – KINGS CANYON AND WATARRKA NATIONAL PARK

This morning, we depart early to experience the beauty of Kings Canyon. Two walks are available, including the spectacular 6km rim walk, which features breathtaking views of the Watarrka National Park before descending into the 'Garden of Eden'. For those who wish to save energy, a more relaxed walk is also available along the creek on the canyon floor (2.6km).

After the morning's activities, we return to Kings Canyon Resort for lunch and to rest and refresh. The afternoon is spent learning about Aboriginal culture with Karrke Aboriginal Cultural Experience and Tours. In the Aranda language, Karrke is the Aboriginal name for the western Bowerbird, which is native to Central Australia, and our guide will teach us about bush tucker and bush medicines used for spiritual and physical healing.

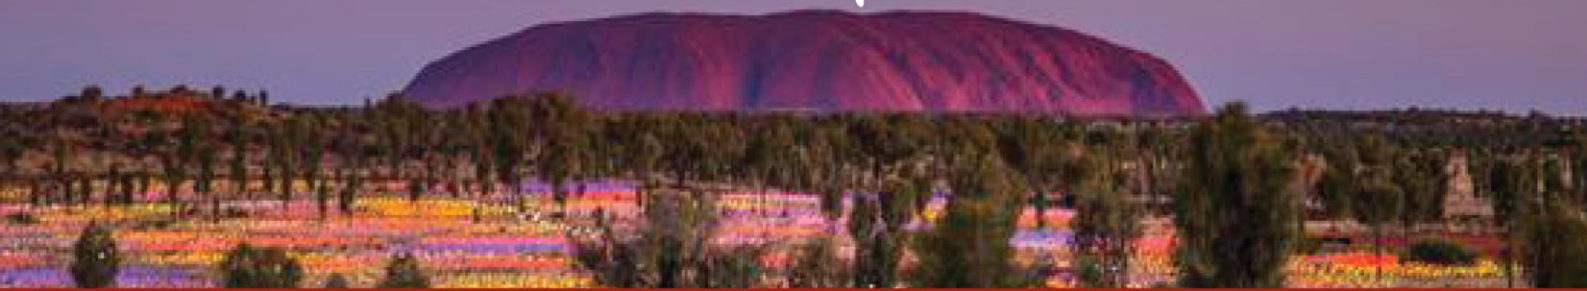

For those wishing to take the optional helicopter flight over Kings Canyon, today is the day. (at own expense.)

As afternoon turns to evening, we'll enjoy sunset drinks and canapes at Light-Towers, an immersive sound and light installation by the acclaimed artist Bruce Munro. Tonight, we'll enjoy dinner at the newly renovated Kings Canyon Bar & Grill and gather to recall the day's adventures. (B,L,D)

DAY 5 – KINGS CANYON – ULURU-KATA TJUTA NATIONAL PARK

Today is special. We depart Kings Canyon for Uluru-Kata Tjuta National Park, passing through Kings Creek Station to enjoy lunch at Curtin Springs, a million-acre cattle station. In the early afternoon, we arrive at the award-winning Sails in the Desert Hotel, part of the Ayers Rock Resort.

Outback Spirit

2025 RED CENTRE EXPLORER

This evening, we are transferred to the Wintjiri Wiru Sunset Dinner. A breathtaking cultural storytelling experience through choreographed drones, lasers and projections illuminating the night sky.

After a short journey from the resort, we venture to an open-air theatre set upon a dune top. Enjoy cocktails infused with native ingredients while taking in the incredible views of Uluru. As darkness descends, enjoy a gourmet dinner hamper where native ingredients are combined with modern techniques to create a balanced and flavourful palette as the night sky lights up before our eyes. Witness the ancient Mala story re-told and feel a powerful connection to country listening to a traditional Inma soundtrack and narration in the local Pitjantjatjara language. (B,L,D)

DAY 6 – ULURU-KATA TJUTA NATIONAL PARK

After breakfast, we depart to discover Kata Tjuta (the Olgas) and admire the stunning rock formations on a guided walk into Walpa Gorge, an ancient temple crafted by nature. We take in the cultural centre and enjoy a guided tour around the base of Uluru, which stands 348 metres above the desert plains. Learn about traditional Anangu culture and why Uluru, one of the largest monoliths in the world, is such a sacred site.

Enjoy a captivating visit to the Central Australia Art Gallery, offering a unique opportunity to experience authentic artwork. Immerse yourself in the creativity and culture of the Central Desert Region through rotating exhibitions, enriching discussions, and stunning displays of local artistry. We freshen up back at the resort and prepare for our visit to artist Bruce Munro's global phenomenon 'Field of Light'. Aptly named Tili Wiru Tjuta Nyakutjaku (looking at lots of beautiful lights), 'Field of Light' features 50,000 slender stems crowned with radiant frosted spheres spread across an area the size of 7 football fields.

Departing the hotel before sunset, we head to an exclusive dune top location with majestic views of Uluru. Enjoy drinks and canapes as Field of Light gently illuminates and the 50,000 glass spheres come to life. After your host provides some insights into this remarkable installation, you'll explore the stunning display via the dedicated pathways.

This evening, we return to the hotel for dinner. (B,L,D)
**Please note that dinner this evening will be at approximately 9pm.*

DAY 7 – ULURU-KATA TJUTA NATIONAL PARK

Early risers will experience the sun rising over Uluru this morning and the colours of dawn spreading across the landscape. Breakfast is at the hotel before we depart for the Mala Walk. Admire the fine examples of rock art along this walk before arriving at Kantju Gorge, a place of profound peacefulness surrounded by sheer vertical walls.

With a free afternoon ahead of us, you can either spend at your leisure, or participate in additional touring of the area, including a Bush Tucker Experience.

This evening, we'll enjoy the unique 'Sounds of Silence' dining experience under the stars. Offering the best of the Red Centre distilled into four magical hours, the evening begins with canapes and chilled sparkling wine served on a viewing platform overlooking the Uluru-Kata Tjuta National Park. As the sun sets and darkness falls, listen to the sound of the didgeridoo and enjoy a premium bush tucker-inspired buffet incorporating native bush ingredients.

Afterwards, settle back and listen to the resident star talker decode the southern night sky. After this incredible experience, we return to Sails in the Desert for our final night.

DAY 8 – FAREWELL

Enjoy a hearty breakfast at the hotel before we drive to the Yulara township just outside Uluru-Kata Tjuta National Park. If your flight home is out of Ayers Rock Airport we will say farewell, otherwise we will journey back to Alice Springs where the Red Centre Explorer tour comes to an end. (B)

Every effort will be made by your crew to ensure that the above itinerary is followed. However, Outback Spirit reserves the right to alter the itinerary once on tour as required due to weather and track conditions or other operational considerations.
